

## Iridium® 9555 Portable Handset

### Anywhere is the new everywhere

Mobile communications can expand frontiers, create opportunities, and establish critical lifelines. But only when it works. From distant rigs to pitching decks, baking deserts to frozen ice packs, the Iridium 9555 satellite phone can handle any environment. It is small but determined, sleek but industrial grade, easy to use but powerful. It is every bit as rugged as our previous handsets – still resistant to water, dust and shock – but streamlined and packed with innovative new features. The Iridium 9555 is the evolution of trusted, reliable mobile communications. And it is connected to the only truly global mobile communications network. So anywhere on the planet you need to be, the Iridium 9555 is always connected and backed by unmatched network quality and world-class technical support.

#### Iridium 9555 Features

- Compact physical footprint for streamlined portability
- Intuitive user interface for out-of-the-box functionality
- Water, shock and dust resistance for unparalleled durability
- Enhanced SMS and email messaging capability
- Integrated speakerphone
- Headset and hands-free capability
- Internally stowed antenna
- Mini-USB data port

27 % Smaller – 30% Lighter than the 9505A

#### Includes

Charger, AC Travel, Antenna, Portable Auxiliary Adapter, Auto Accessory, Plug Kit, International, Headset, Hands-Free Adapter, 9555 Antenna, User Guide, 9555 Quick Start Guide, 9555 Holster, 9555 Battery, Rechargeable Li Ion, 9555 Cable - USB to Mini USB, CD, 9555 Data CD

### Compact Power

The Iridium 9555 is not only the smallest phone Iridium has ever made, it's also the most powerful. With a significantly reduced footprint from our previous phone, more hand-friendly form factor, and aerodynamic features such as an internally stowed antenna, this sleek handset is designed to easily go wherever you go.
