

SATELLITE DIRECT / SATELLITE DIRECT PLUS DESCRIPTION

Satellite Direct

Help keep the cost of calling your satellite phone to a minimum by using a toll free number!! This is a free service.

- Practical: features include Calling Line Identification (CLID) and Quick Number dialing (Satellite Direct)
- Satellite Direct offers a means of reaching the remote user via Caller ID (CLID) functions which eliminate the need to enter PIN Codes. Up to 99 CLID's may be assigned per account.
- Satellite Direct also offers Quick Number (QN) assignments per Satellite Direct account. QN's are mapped up to 10 Inmarsat terminals. By dialing the platform using one of the 10 QN's one would not need to enter the destination Inmarsat number.
- Used in conjunction with CLID, it turns it into a single staged platform for no monthly fee.
