

Globalstar to Iridium Trade-In Promotion

Save up to \$574.00!

Quick decision makers now have a unique opportunity to trade in their Globalstar phone and switch to Iridium’s reliable mobile and global satellite phone service at a highly attractive price.

Included in this promotional package are:

- **\$250 USD credit on an Iridium 9555 handset.** Includes: Phone, rechargeable Li-ion battery, AC Travel charger, DC charger, International Plug Kit, Headset, User Guide, Built in USB data port, Antenna Adapter, Portable Aux Antenna, Lanyard and Leather Holster.
- **Plus a bonus of up to \$324 USD of free airtime** -10 free ISU – PSTN North America voice minutes per month

What do I need to do to benefit from this promotion?

Step 1: Order your 9555 terminal through the usual process via your Delta Wave sales representative. After your order has been shipped, you will receive an invoice at your regular price, or you will be billed the full price of the 9555 to your credit card. (\$1,495.00 for the basic package, for example.)

Step 2: In order to benefit from this promotion, you then need to:

- 1) Activate a (new) Delta Wave Iridium SIM card under the postpaid North America Plan under your Delta Wave Iridium account. (See activation form.)
- 2) Make note of the invoice number for the purchase of the Iridium 9555 terminal from Delta Wave

Step 3: To obtain your credit:

- 1) Simply complete the attached claim form
- 2) Return a functional Globalstar* phone plus the completed claim form to Delta Wave Communications, Inc.; Delta Wave will then refund the \$250 credit via a credit note, or chargeback to your credit card.

* Eligible for the Trade-In promotion are: GSP 1600, GSP 1700, Ericsson R-290, Telit SAT 550, Telit SAT 600, GSP 2800 Maritime Fixed Unit, GSP 2100/2101, GSP 2900 Fixed Unit and FAU 200
